

School of Marine Sciences

Semester by the Sea

Application Form

Complete and return to: Dr. William Ellis
School of Marine Sciences
5706 Aubert Hall Rm. 360
University of Maine
Orono, Maine 04469-5706

Application deadline is March 15

To participate in Semester by the Sea you must have at least a junior year standing, or equivalent background, with one year of biology and one year of chemistry. Upon acceptance to the SBS program, students not currently enrolled at The University of Maine will be sent additional paperwork required by the University.
